

# TRAX1800 TRAX3500

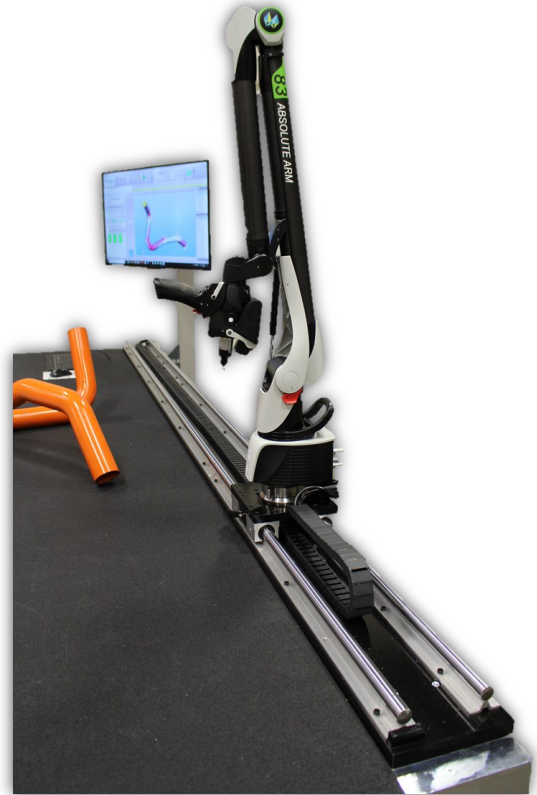

Ball Bearing Slide

Quick-release  
Hand Brake

Extend the reach  
of your HEXAGON  
arm by either  
**1800 mm** or  
**3500 mm** with the  
**VTube-LASER**  
**TRAX**  
rail system using  
leapfrog  
technology.

Arm Volume (m)	Measure Width	Width with TRAX1800	Width with TRAX3500
2.0	6 feet 1829 mm	12 feet 3629 mm	17.5 feet 5329 mm
2.5	7 feet 2150 mm	13 feet 3950 mm	18.5 feet 5650 mm
3.0	8.7 feet 2650 mm	15 feet 4450 mm	20.2 feet 6150 mm
3.5	10 feet 3150 mm	16 feet 4950 mm	21..8 feet 6650 mm
4.0	12 feet 3650 mm	18 feet 5450 mm	23.4 feet 7150 mm
4.5	13.6 feet 4150 mm	19.5 feet 5950 mm	25 feet 7650 mm

TRAX1800: \$11,500

TRAX3500: \$12,500

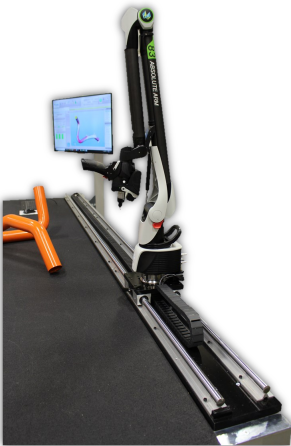

**We offer a 20% discount on these prices to customers that purchase a TRAX on the same purchase order with a VTube-LASER license.**

Each TRAX includes all components to make this an out-of-the-box-ready system. HEXAGON ScanArm and shipping is not included.

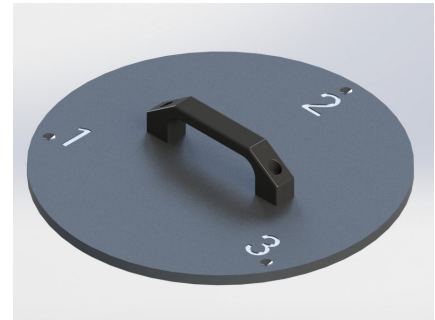

# TRAX1800

# TRAX3500

The TRAX is a plug-n-play system. Attach it to the measuring table, mount the arm, plug it in to the arm, and begin measuring!
